TEASE!

THIS MONTH IN CI

This lady Maria Whittaker is goddamn dynamite, you know. The Editor came back to the office last week (he'd been away for a month: he said it was to look after his dear old granny down in Virginia, but we saw his Ford parked outside Harry's bar the whole time). Well, he looked at the mag and roared, "What this goddamn book needs is some cute English girlie with humungous cajooblies!"

Hell, we all knew that. What about our gorgeous Andrea Clarke? So I said to him, "Hey - we already got that girl!" and held up the shots of Andrea.

"I know that, bagel-brain. We need another cute English girlie with humungous cajooblies!"

So it was kind of handy that this Maria phoned up with an idea of her own. She's the top newspaper Page Three girl over in the UK, you know, but she said she wanted to do a whole set of pictures this time, a real fantasy layout - and she wanted us to do it!

Well, she can tell you more than we can about her horny photoshoot if you turn to page 30. But she don't tell you that the Editor went along on the photoshoot just to make sure the horniest, kinkiest pictures were taken. He came back from the studio a staggering, jabbering wreck, mumbling something about "the bosoms that ate Norwalk". He said he was off to look after his dear old granny again, disappeared with a couple of Maria's pics and ain't been seen since. And if you want to take our advice, you'll take some time out with this girl too. Lubba lubba!♣

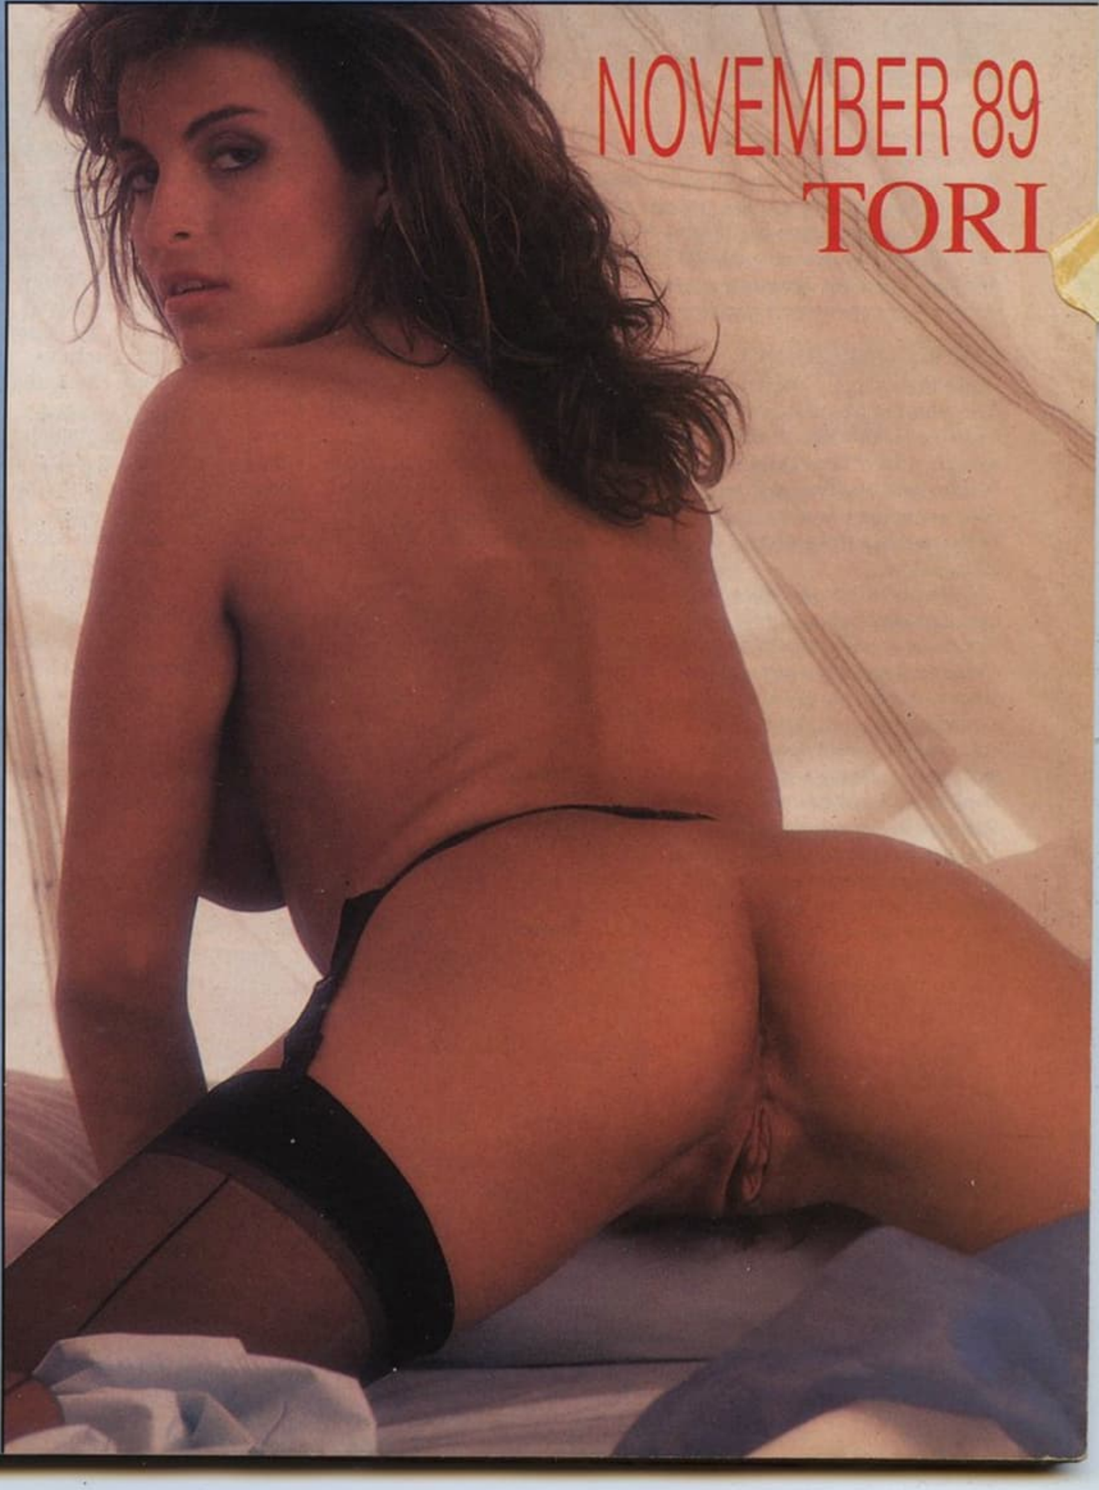
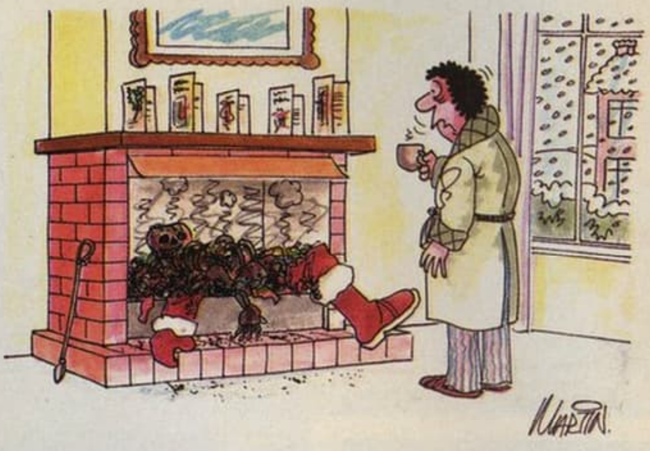
ONE MORE time

the girl you've asked to see

"It's about time you featured a real horny brunette in the centerfold," wrote a certain guy from Virginia, so it looks like this girl was just in time then! Porn star Tori graced the center in the November issue, and no one here at CI has been the same since. So we're only too happy to show her again, so we can get another look too!♣



IN THE bag



You write 'em, we print 'em. We pride ourselves on having the horniest readers of any magazine in this business of ours – and you wouldn't want us to lose our reputation, would you? So send your letters to The Editor, Club International, PO Box 1290, Norwalk, CT 06856. And keep 'em filthy, because that's the way we like 'em!

COCK CONFERENCE

I have been happily married for five years but like most guys I fantasize about sex with other women. I have been extremely faithful over that five year period until a couple of weeks ago, and I believe it is a story worth telling.

My job takes me to Dallas for meetings about every three [illegible]ths or so. Because of an [illegible]eting I left a day early in [illegible]heck into my hotel for a [illegible]night's rest. After checking in, I went down to the bar. I was relaxing with my drink when I saw her walk in. She took my breath away. I couldn't believe it when she sat at the bar stool right next to mine when the whole bar was empty except for me. I bought her a drink and we immediately struck up a conversation. We were both astounded when the conversation came to our jobs and we learned that we worked for the same company. She had just been hired by the district office and was in Dallas for the same meeting. We drank and laughed for hours until we both realized how late it was getting.

Just as I was about to tell her it was time to turn in she put her hand on my thigh and looked at me with a seductive gaze in her eyes. Out of the blue she leaned over and kissed me. Without a further word we walked directly to her room. The door closed and we embraced in a long, passionate, tongue-twisting kiss. She then stepped back and peeled off her skirt as I helped with her blouse, bra and panties.

She had the most beautiful, succulent body I had ever seen. Her tan was deep and dark, and her breasts were pink and jutting straight out. You could almost see them tingling with anticipation. Her pussy was completely shaved except for one small and thin patch directly above her swollen labia.

I didn't take my eyes off her as I slowly undressed. When I was completely naked I looked down to see my cock as it had never before been. It stood up at an angle, purple with thick veins straining all around it. It was tingling and throbbing from side to side. My balls felt heavy and eager to unleash their cum.

She then dropped to her knees, mumbling something about how hard and tasty my cock looked. As she slid her fingers around the base and took the bulbous head into her mouth, she began to moan. She then began to work her head back and forth in a slow rhythm. As my cock would draw out of her mouth I would hear a slurping sound and I could see the veins glisten with her saliva and my pre-cum. The sensation was too much and I couldn't hold back. I pulled my cock out and sent ribbons of hot semen all over her smooth shoulders and heaving breasts.

After recovering, I told her it was her turn. I gently laid her on the bed and placed a pillow under her beautiful ass. I then lowered my head between her tanned thighs and parted her smooth and swollen petals with my fingers. For the next 20 minutes I licked her clitty, sucked her pussy lips, and tongued her juicy hole for all I was worth. When I finished there was a large wet spot on the sheets where her sweet nectar had cum in gushes from her silky smooth pink cunt.

By now my cock was as rigid and ready as before. Without a word, she turned over and stuck her ass in the air. She then reached back, spread her pussy lips, and moaned, "I need your cock." She was so wet and slick that my first thrust went inside her to the hilt. She began to rock back and forth and I met her stroke for stroke. I then reached around and found her clitty. The faster we fucked, the faster I stroked her clitty, and before too

ASSES UP

Clearing out my attic I came across a few items of interest to all you rear-end enthusiasts. Under a copy of the 1957 Boy's Own Bottom Book I found my extensive collection of ass rubbings (just like brass rubbings but more fun), including a much sought-after print of Dominant Dalton's butt. The original hangs in the headquarters of the Bottom Rubbing Association (misleadingly known as B.R.A. for short).

personally think that certain girls look very attractive with a shaven pussy and the ones you have featured prove that. I'm sure more of us would do it if it wasn't so difficult and time consuming (and itchy!). What slightly puzzles me, though, is why do most of your models who shave only do the lips of their pussies and leave a silly little tuft in front?

After undergoing the difficult and delicate (I speak from experience) task of shaving along the sides, why spoil the effect by leaving the curls in front? Perhaps one of your models can explain this in a future issue. I can only assume they do it to model in skimpy briefs or bikinis without a stray hair peeping out.

Personally I am a redhead with quite a bushy mound, which would overrun half my tummy if I let it, so I've been trimming and pruning it since I was 16. Nowadays I use one of those dinky little shavers that you can use anywhere. It's so dinky that it will search out all my little curls, and so when I occasionally feel like going all the way it leaves me as smooth as a baby's bottom without making me sore. And I must say I think I look rather sweet!

Recently you promised one of your letter writers: "We'll be showing as many shaven maidens as we possibly can!" So I was a bit disappointed that in the next issue you insisted on proving that all the blondes were *real* blondes! However, I was glad to see that the following few issues were back to normal.

I think it would be nice to have one or two shaven pussies in each issue; after all, variety's the spice of life and whatever your tastes, who could resist Vanessa in the October issue? - *"Shaven Maiden"*

PRICK TEASE PLEASE

I've always been turned on by the sight of women in black gear, whether it's just an evening dress, swimsuit, underwear or leather. Not that I'm into dominance or anything like that - but a girl in black thigh boots never fails to give me a raging hard-on.

When my girlfriend found out about my preferences, she sent off for some leather gear without my knowing, and when I called around for her one night, thinking we were going to our local bar, she let me in in her dressing gown, saying she still wasn't ready.

She disappeared upstairs to her bedroom and ten minutes later called me up. When I went into her room, she left me speechless, with a bulge in my

DICK!

*Tricky dick **Richard Slick** makes a mountain out of a molehill or two, in the Case of the Anthill Mystery.*

The name's Slick. Richard Slick. You can call me Rich, you can call me Ricky, but anybody calls me Dick and they wind up with six orifices surplus to requirements.

I was sitting in Good Time Shirley Bernstein's speakeasy sipping a hogsuckler cocktail. Somewhere there must have been a blocked drain or a dead rat because I smelled something that reminded me of my ex-wife...

What a dame. Her name was Sylvia but she said her friends called her Sly. Down at the precinct the boys called her Lily Linen on account of she got laid on tables by Italian waiters. But me, I called her Tiggywinkle the knob sucker.

The first time I saw Sly was at the Coppabanana. She was leaning against the piano, singing *Stormy Weather* and licking her eyebrows suggestively.

Memories. Memories are like herpes: just when you think you got rid of them you wake up with a sore lip. I've got a whole lot of things in my life I'd like to forget. Luckily I can't remember most of them.

I ordered another drink from Shirley. Shirley was cute, but I wasn't sure about a man his age wearing a gingham frock.

"Mr Slick?" The voice came from behind me. It was a woman's voice. The sort of voice that could heat up an economy size tub of avocado body oil from a thousand feet.

I turned around. The dame was a six foot brunette with a warm tan and breasts you could turn into a ski-resort. And by the way she was eyeing my pants, I could tell she liked the idea of having me sliding down her piste.

"Richard Slick," I snapped. "What can I do for you?"

The broad looked me up and down and licked her strong, white teeth. Her tongue was quicker than a ferret

Tabatha xx
Barbara xx

Dear Barbara and Tabatha,
When I saw your layout in the November issue, I just had to write in and tell you the effect that it had on me. I haven't stopped jerking myself off since that time, and believe me, I've worn out more batteries for my vibrator since I saw you both, than I did for the whole of the rest of the year.

I'd love to join you in a steamy threesome, after finding you both in the hot tub when I come into my apartment. You are both wet and covered in bubbles, so you invite me in to join you. As soon as I step into the tub I feel you each put a hand at either side of my cunt. I haven't sat down yet but my pussy is already wet - with my own juices. I stand there as you both put an index finger into my soaking cunt, probing as deep as you can, making me shudder and groan as you finger me.

I want to sit on someone's face and be eaten, so I crouch over you, Barbara, feeling your soft tongue rasping into my cunt, reaching right up me to lick me out thoroughly. Meanwhile, Tabatha is busy with my boobs, biting on my nipples. Pretty soon I'm cumming more intensely than I ever remember doing.

In my fantasy we spend hours pleasuring each other like this. I only wish that I could do this for real. - *"Hot Tub Honey"*

I wish you could too, because you sound like a real horny lover, the type who's willing to try anything to gain pleasure from it. I only wish I knew where you were, so I could make a beeline for your hot tub myself and get covered in your... bubbles! - **Tabatha**

As you well know, women are my preference, and the tub must be my favorite place of all for sex. Have you ever tried bathing in milk? It's not only real good for the skin, but it makes you feel damn horny too. Let's try it sometime! - **Barbara**

on steroids. "I ham please to meet you," she sighed. Her accent was thicker than a plumber's mate. "I ham Mrs. Schmuck."

"And a finer schmuck I've never seen," I cracked.

"Tank you," she squeaked. "But I haff a problem. You haff heard of my husband, the great industrialist, Bigelow? Zay call him Bigg."

Bigg Schmuck. Sure I'd heard of him. The guy was the most popular criminal act of his time. Six months before he'd narrowly missed a term in the pen when a long-time associate of his broke into the V&D Museum and ripped up a valuable open toed shoe that had once belonged to a famous composer. The "vandal manhandles Handel's sandal" scandal had been all over the news for weeks. And that reminded me—I needed to get some new fixative for my dentures.

"So," I barked, "your husband's that pain-in-the-ass hot shot Bigg Schmuck?"

"He was," the dame sobbed, sending an avalanche of tanned flesh rolling down the slopes of her breasts. "He his dead. Kilt this morning."

She was upset. I called out for Shirley to give her a stiff one, but Mrs. Schmuck said she never touched the hard stuff. She was lying. If ever I saw a broad who was keen to get a Jim Beam inside her it was Madam Schmuck.

I pursed my lips, "You better give me the facts, ma'am," I said.

"I ham finding him this morning," she said huskily. "He is lying on the lawn. Next to him his a small pile of soil and a jar of honey."

"And he was dead?"

"Si, si. Dead from having his helicopter cut off."

"You mean his penis?"

"Si. His helichopper. It was severed." Mrs. Schmuck looked at me like a hungry hyena looking at a bone. "My husband, Mr. Slick," she groaned softly. "He was not like other men. I tink he vas a blouse-carrier." She leaned closer to me and gave me a flash of her cleavage. It made the Grand Canyon look like a wrinkle. "I am a woman of strong desires," she purred, "and I haff not had a man since 1956."

I glanced at my watch. "That ain't so bad, lady," I snapped. "It's only 20:15 now." Then I paused. Your husband, Mrs. Schmuck, was he fond of anteaters?"

The lady looked about as shocked as if she'd just been mounted by a rhino. "How did you know this" she gasped.

"Your husband was no shirt-lifter, Mrs. Schmuck," I said.

"He was just unnaturally fond of wildlife. The giant South American anteater has a 24 inch tongue and no teeth at all. Some guys, your husband amongst them, find that an exciting proposition. The only way to induce an anteater to give you head is to smear your stonker in honey and then stick it in an anthill. Then when the anteater comes along…"

"But how is his helicopter chopped off if it has no teeth?"

"Your husband made two very large mistakes," I explained. "Firstly, this is North America, not South America. There are no anteaters in North America. Secondly, the anthill he rammed his rod into wasn't an anthill, it was a molehill. Moles, Mrs. Schmuck are short-sighted creatures and they feed on earthworms. If you want a description of the thing that killed your husband I suggest it was small, dark and hairy, with a pink nose."

Mrs. Schmuck pouted. Her lips were as full and red as the Soviet Communist Party. "You haff solved the mystery of my husband's death," she sighed. "Please let me reward you. I will let you haff vatever you desire."

I studied her for a moment. She was a fine looking dame and as eager to start plowing as a farmer's son.

"Buy me a drink," I said. Broads are fine, but when it comes to sex I prefer to sit in a bar and guzzle my Canadian Club. ♣

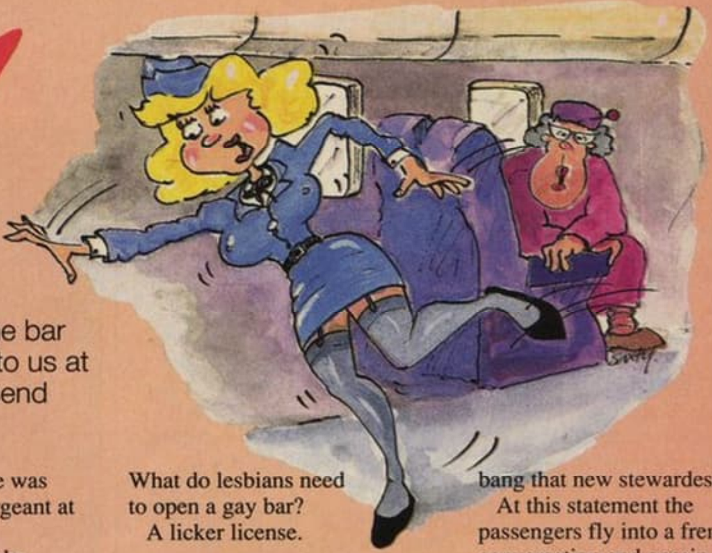
YOU GOTTA BE *joking!*



These are the best gags we heard down at the bar this month. If you heard better, send them in to us at CI, PO Box 1379, Norwalk, CT 06856. We'll send you a CI t-shirt for every joke we print.

What's twelve inches long and white?
Nothing.

What do a walrus and Tupperware have in common?
They both like a tight seal.

What's white and has seven little dents in it?
Snow White's cherry.

"Help! Help!" cried the young woman as she staggered up the steps of the police station. "An Irishman molested me!"

"How'd you know he was Irish?" inquired the sergeant at the desk.

"I had to help him," she gasped.

"Dad," said the kid, "can I have five dollars to buy a guinea pig?"

"Here's ten dollars, son. Go find yourself a nice Irish girl."

What did the Irish woman say to her unmarried pregnant daughter?
Maybe it's not yours.

What do lesbians need to open a gay bar?
A licker license.

A plane is flying over the Atlantic Ocean as the pilot is finishing an announcement on the intercom. Putting the mike down he hits the off switch. But he doesn't know the switch is malfunctioning and his conversation is broadcast into the passenger area.

"Take over for a while, Dave," the pilot says to his co-pilot, "I think I'll go take a shit and then bang that new stewardess."

At this statement the passengers fly into a frenzy of conversation and gossip. The stewardess is greatly embarrassed and can no longer stay at her post, so she hurries towards the cockpit. But in her haste, she trips and falls over in the aisle.

She happens to land next to a sweet little old lady who turns to help her up. As she does so, the lady says sweetly, "Don't rush, dearie. He said he had to take a shit first." ♣

pants that did all the talking. She was wearing black thigh boots with high heels, a tight lace-up corset of black leather, a little leather G-string and long black gloves. She posed in front of me provocatively, with her lovely tits nearly squeezed out of the waspie.

"Get undressed," she ordered me, "but you're not to play with yourself, or touch me - not yet!" I stripped off at once and stood in front of her, my cock bobbing with excitement. "Let's see how much that big cock of yours can stand," she said, and started stroking her body with her gloved hands. My cock got harder and harder as she performed in front of me. She took off her G-string, and lay on

FOOT PATROL

I was very pleased to receive a note from the "Hot High Heeler" from Iowa who enjoys seeing the feet "footage" in CI. His only problem is overcoming the embarrassment of getting a girl to bare her sole for you. I've encountered this problem myself but I know from experience that no matter what her first reaction is, she'll never say no to a bit of ticklish stoe teasing. It's not as if you're asking her to eat spaghetti from your ass crease is it?! Before long she'll be begging you to get to grips with her horny little heels and stick your dick into her pumps to polish her inner-soles with your cum. So, sock 'n' sole lovers, don't be bashful; throw caution to the wind and sample a bit of foot frolicking between your bouts of pussy pounding. Don't worry, she'll love it -they always do! - Tommy Tiptoe ♣

"Jeez, this leather couch is making me feel so horny!" confesses Texan Ellie, spreading those everlasting legs and that wet, juicy pussy. "I just love rubbing myself against it, and feeling my cunt juices dripping out onto all that leather. You can see me now, getting real excited out there.

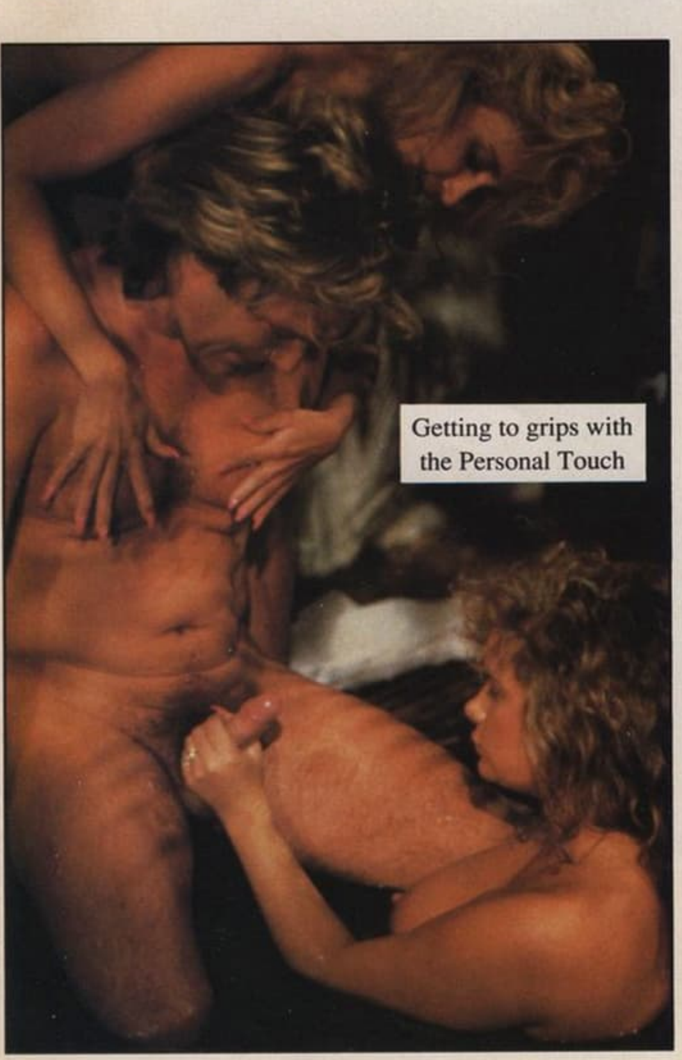
PERSONAL TOUCH IV "THIS ONE'S FOR YOU!"



Getting to grips with the Personal Touch

With Trinity Loren, Cheri Taylor, Jade East, Kassi Nova, Ray Victory, Eric Price, Don Fernando, Shane Hunter, April Summers, Rocco Crucci. Directed by Bobby Hollander

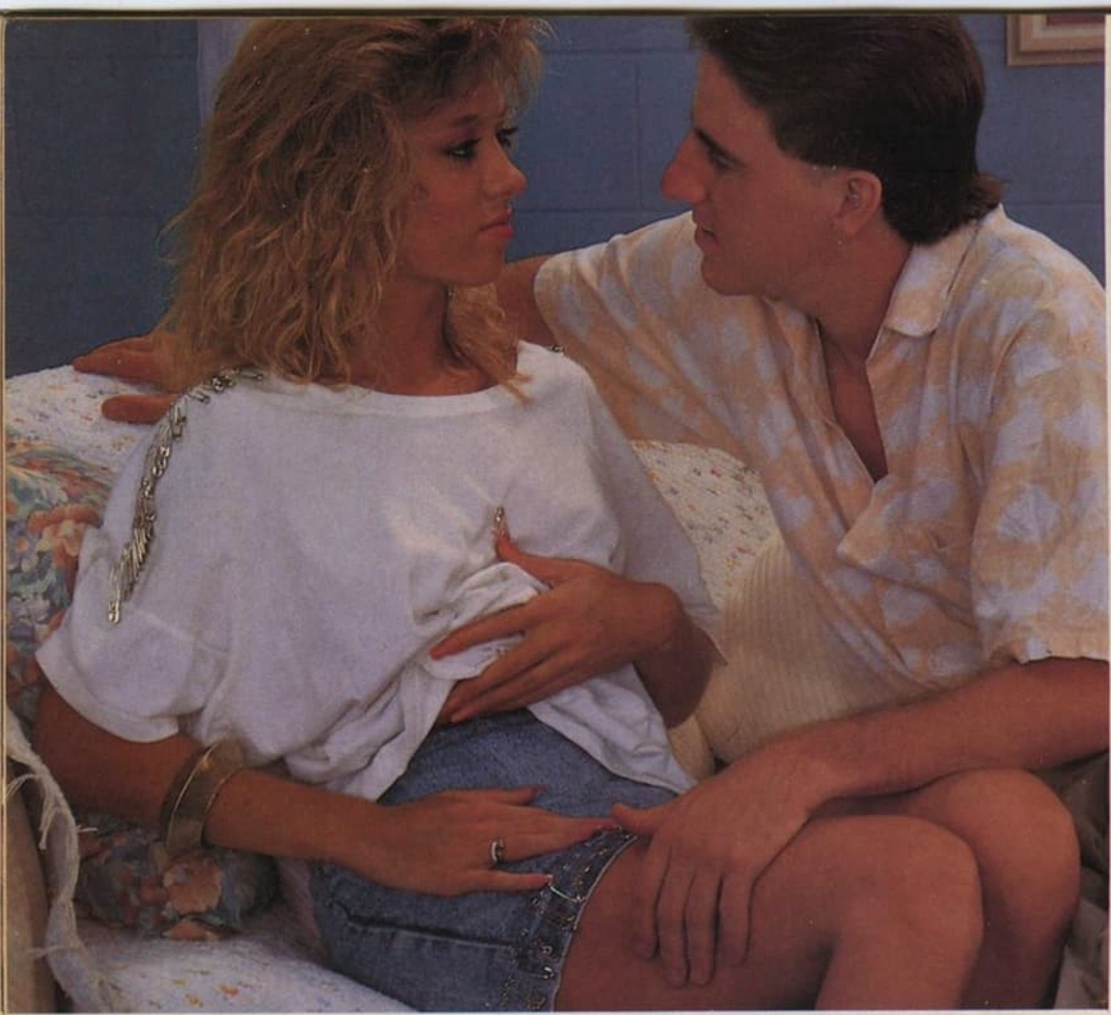
(Arrow).

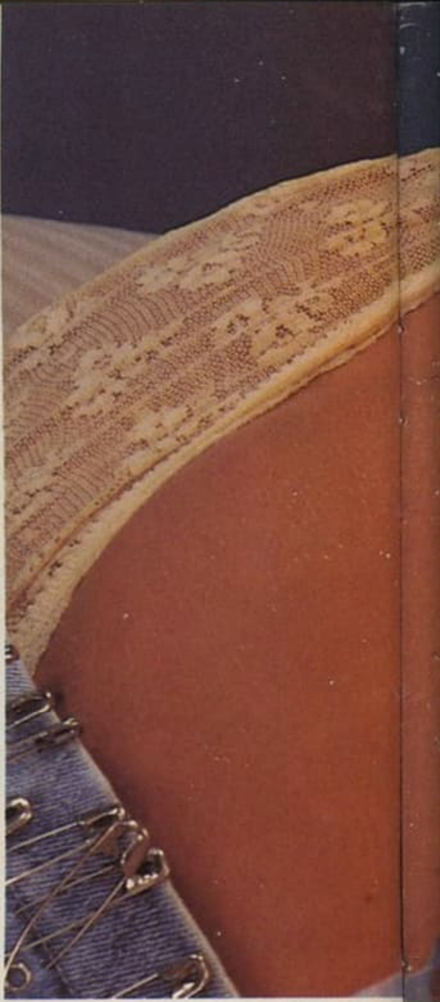
Tired of the same old boring porn action? Then rush to your local video emporium to get your hot little hands on Personal Touch IV- "This One's For You!" It's not just a great porn video, it's an absolute education.

It's one big party hosted by the big-titted Trinity Loren, and she's more than delighted that you've arrived. Now, she and her friends will make you cum. She relates stories of her friends in the adult business, and as the narration continues performers enact the situations.

And what situations they are! We see exotic Kassi Nova suck off Ray Victory, Eric Price and Rocco Crucci. Just one of these gentlemen would be a mouthful, and her prowess with three of them at the same time is positively uncanny. The lady takes load after load in her mouth.

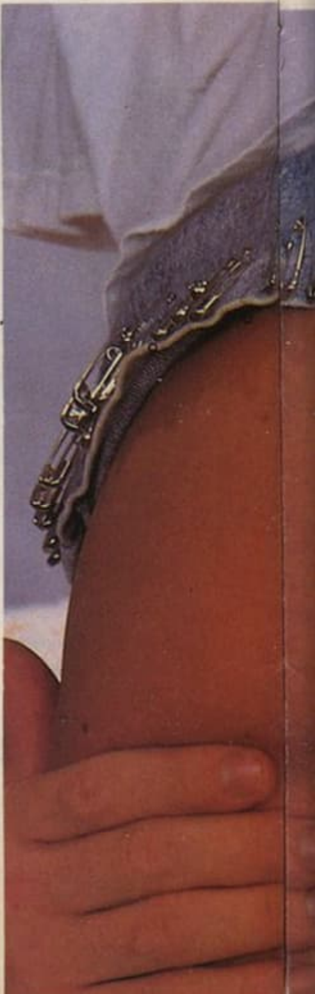
Now, I hope you're sitting down as you read this, because the next scenes I'll describe will knock you right off your feet! Trinity Loren and Cheri Taylor get into a hot-tub and engage in a long, sensuous scene of lezzie toe sucking, often referred to as "shrimping" in the naughty





BRAD AND TINA

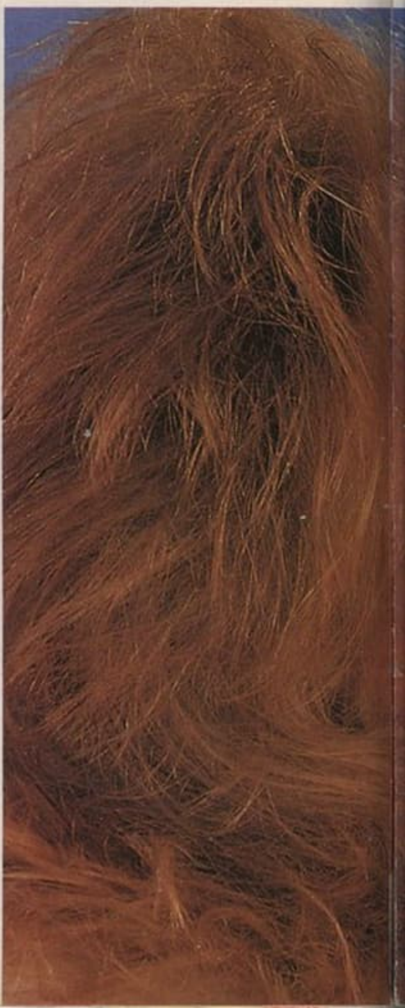
Photographs by POM

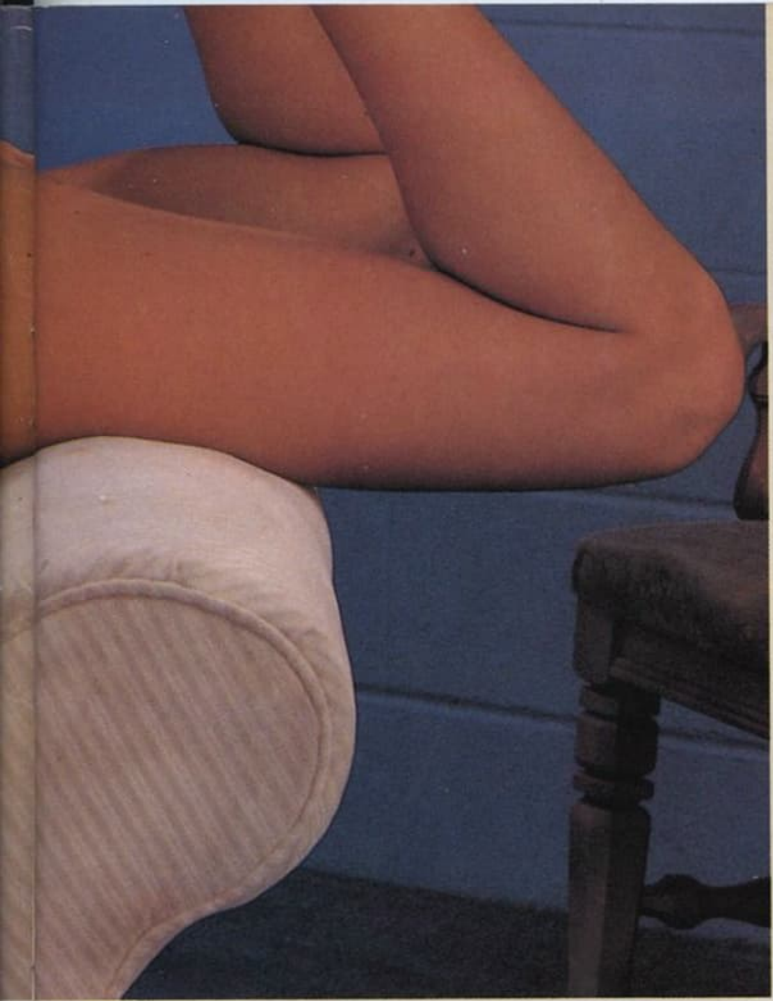


"The first thing I do to a guy when I get him into the bedroom," confesses dirty blonde Tina, licking her lips in anticipation, "is sit on his face. There's nothing quite like the feeling of having a guy's tongue dipping into your cunt, licking out all those horny love juices. I just go wild when a guy starts giving me head - it sends my pussy into overdrive!

"Brad has such a sensitive tongue too, and he found all my best spots, like the place just inside my cunt lips where I love to be licked and sucked 'cos it really sends vibrations right through my pussy. Real soon I was squirming all over his face, and I wriggled all over his lips so that he could get right in there. He really enjoyed the fact that I was so into the head he was giving me. I tell you, he's the best cuntsucker I've ever cum across!

"And as you can see, I figured I



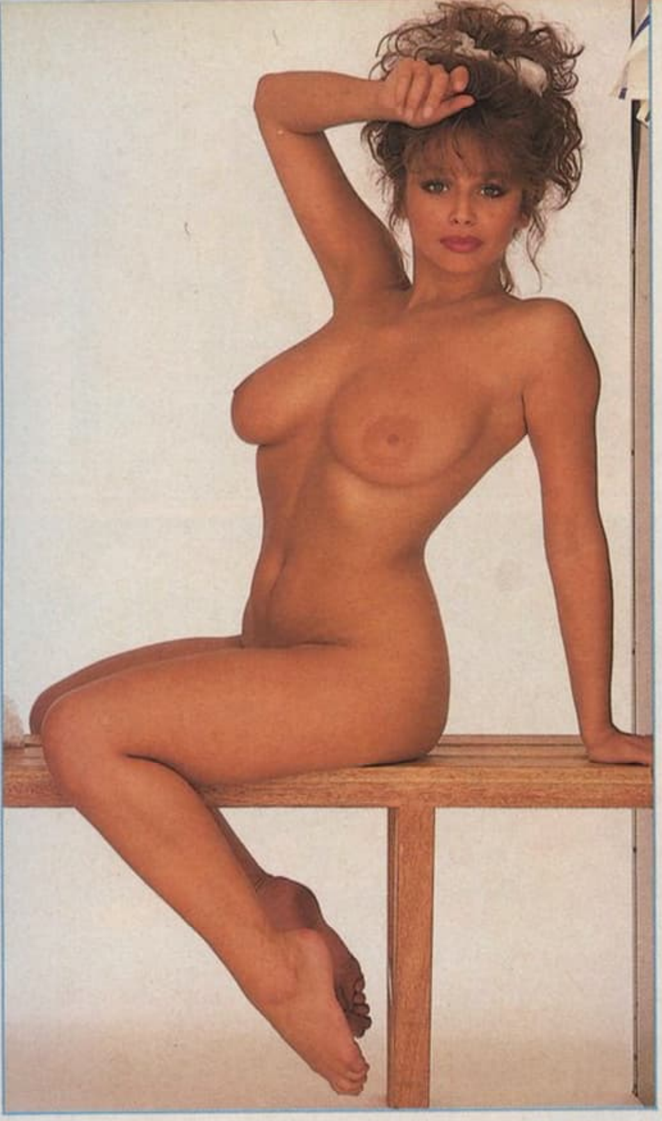


just had to pay him back for all his efforts. So I went for his cock in a big way. Sucking a guy's dick has always been the biggest turn on for me, and Brad's was so thick and meaty just the feel of his knob on my tonsils almost made me cum straight off! Pretty soon, he was cumming all over my tits..."

And did he give her a good fucking into the bargain?

"He sure did - I'm still walking bow-legged after that, and I loved every second of it!"♣

"He was cumming all over my tits"



which I could imagine only too well – little me dressed as a tennis player, with ankle socks, a short skirt, very *frilly panties – the lot. That sounded like fun . . . so here it is!*

I picked out all the clothes myself, all apart from those panties. I wanted some with frills all the way over my bottom, but I couldn't find them anywhere. So I was a bit disappointed when I got to the studio without any. I shouldn't have worried though: the Ed turned up ten minutes later with a specially made-up pair of frillies! It seems he has a friend at the naughty underwear place around the corner – sounds a little kinky to me!

I hope you enjoy these shots – I think you'll agree it's a pretty kinky outfit! And remember, if you want to see more of me in CI then you'd better start pestering the Ed to have me back, 'cos I'd love to pose for you again!♣

We know how much all you guys love to see two gorgeous girls getting it on in CI - those cute pussies rubbing each other off, those bouncing boobs squashing into each other... Heaven! And it's all the better when those pussies are shaved, huh guys? So we had a brain wave. Why not get four of the most luscious models we could find, shave their pussies, and have them all getting it on together?

No sooner said than done. And the girls were literally lining up to get in on the action (and some of them couldn't wait that long and got down to business in the line!) The lucky gals we chose were Susie, Lizzie, Kim and Sonia, but in the tangle of smooth brown limbs and glistening pussies we lost track of who was who. They wasted no time in getting naked

Kim, my girlfriend, got the treatment next and she was worse than me, screaming and shouting to be fucked by everyone at once."

Kim had her nose in Lizzie's cunt right then, so she couldn't make any comments, but Sonia (with the red stockings) had the final word. "What a shoot! I've never enjoyed myself so much, we had a real orgy out there. I lost count of the amount of pussy I ate, though I know it was all as smooth as my peachy ass. Next time though, we want some guys there too!"

Better get in line right now, guys.♣

DANG

Cody loved the hard and fast action on the demolition derby circuit. But that was nothing to what went on after the races...

BY DAVID ALEXANDER

Cody and Rip were shacked up in a hotel room in Tennessee. They were both drunk on Southern Comfort and horny as two swamp raccoons in heat.

After a big race, Rip couldn't tell his hard prick from a five-speed stick shift. The only thing Rip loved more than spinning his wheels in a demolition derby was cumming his load into a hot piece of tail after coming out top dog in a big race.

He tackled both pursuits hard, fast and dirty.

Daredevil racers made Cody's cunt sop like bread dunked in gravy. She'd been a kindergarten teacher in Detroit when she'd attended her first hell-on-wheels race with a math instructor, her boyfriend of the moment. Cody'd dropped the boyfriend the minute she'd laid eyes on the wheeled warriors doing battle in the dusty arena. In no time she'd become a diehard racing groupie. But teaching first-graders and fast times on the racing circuit didn't mix well, so Cody tried her hand as a manager for the talent behind the wheel. Now she traveled the racing circuit, taking her pleasures as she shuttled from town to town.

At the moment, Cody's pleasure was Rip's nine-inch schlong. Her lips embraced the swollen head. Her tongue danced and flitted along the throbbing shaft. Her fingers squeezed and kneaded the cum-bloated balls. Her throat admitted the thrusting hard-on as though it were a second cunt.

"You like sucking me off, don't you?" Rip asked Cody in a husky whisper as he stood by the bed and stroked her long black hair, watching his shaft go in and out of her mouth and hearing her moan with pleasure.

She looked beautiful as she blew him. She looked like an angel. An angel with a big cock in her mouth.

Reaching over, he stroked her belly and breasts and pinched her long, hard nipples. Then he sank a finger into Cody's snatch. It was wet. "But I want to fuck your pussy first," Rip continued, now managing to stick three fingers up her cunt. "I want to cum you a box full." He pulled out of her mouth and rubbed his erection on Cody's tits. "Spread wide for me," he whispered.

Cody stroked the back of Rip's head as he went down on her. She felt his tongue fucking her pussy like a cock as he pushed back the fleshy hood that covered her clit, then enveloped it with his lips while he switched to fucking her cunt with his fingers.

Flipping her on her side, Rip started fucking Cody from behind. She turned her head half around so he could stick his tongue in her mouth while he churned his dick in her cunt.

She raised her leg so he could fuck her deeper and arched her back to stick out her tits. Rip penetrated her completely, driving his rigid member in all the way until his balls pancaked against the puffy lips of her cooze.

Cody started climaxing and shoved her bush against Rip to stuff her muff with as much man-meat as she could cram inside her. Her cunt flexed and twitched, gushing its sexual juices as Rip fucked her a mile a minute. She could feel Rip's joint swelling inside her box with each stroke and knew he'd explode any second.

Suddenly Rip was unloading inside her pussy. Cody came the second the shooting started. Rip buried his spasming hardness in Cody's saturated cunt and spurted his fiery load inside her.

Each shot of fluid gave Cody another orgasm. Rip finished his cum and drew his cock from Cody's flooded crotch. Cody sat on Rip's face so he could lick out her cream-gushing snatch and she could suck his stiff cock until he was ready to fuck her again.

It was at that moment that Jacko walked in through the unlocked door. Jacko froze as he saw Rip and Cody suck-fucking in the soixante neuf position on the hotel bed. Although Jacko wasn't surprised by what he'd walked in on, he was pissed-off nonetheless.

He knew full well that Cody had sex with whomever she pleased, whenever she pleased it and that he was only one among the many studs who experienced the erotic delights that Cody's cunt, mouth and hands could give. Just the same, Jacko couldn't help himself from feeling betrayed. Hadn't they spent last night fucking each others' brains out on that very same bed?

Hadn't Cody told him as she climaxed beneath his bucking hips that he was the best cocksman she'd ever screwed, and that she'd never look at another racer again?

Of course, Jacko hadn't believed her. That was just fuck talk, he full well knew. But Jacko had figured that Cody had been at least a little truthful when she said she'd be waiting for him and nobody else after the next day's race.

The other thing that rubbed Jacko the wrong way was that she was making it with his arch rival. If she had to take another lover, why did it have to be a scumbag like Rip? Rip was a little twerp, a wimp, a dork. Rip wasn't worth the hole in his ass, and didn't look much better. So why Rip? Jacko asked himself. Why of all people Rip?

"Hey, good buddy," Rip called, peeking out from under Cody's muff. "Why don't y'all join us for a three-way?"

"Hello, Jacko," Cody said sexily, spitting out prick and taking a seat on Rip's cock to fuck him sitting down. "I wasn't expecting you so soon, so I occupied myself elsewhere." Both Rip and Cody laughed at that remark. Jacko threw the six-pack of beer he'd brought at the foot of the creaking bed.

"Have a drink on me," he grumbled. Then he turned and stormed out of the room, leaving the door ajar. He heard the bed springs squeaking even louder before he managed to take three steps.

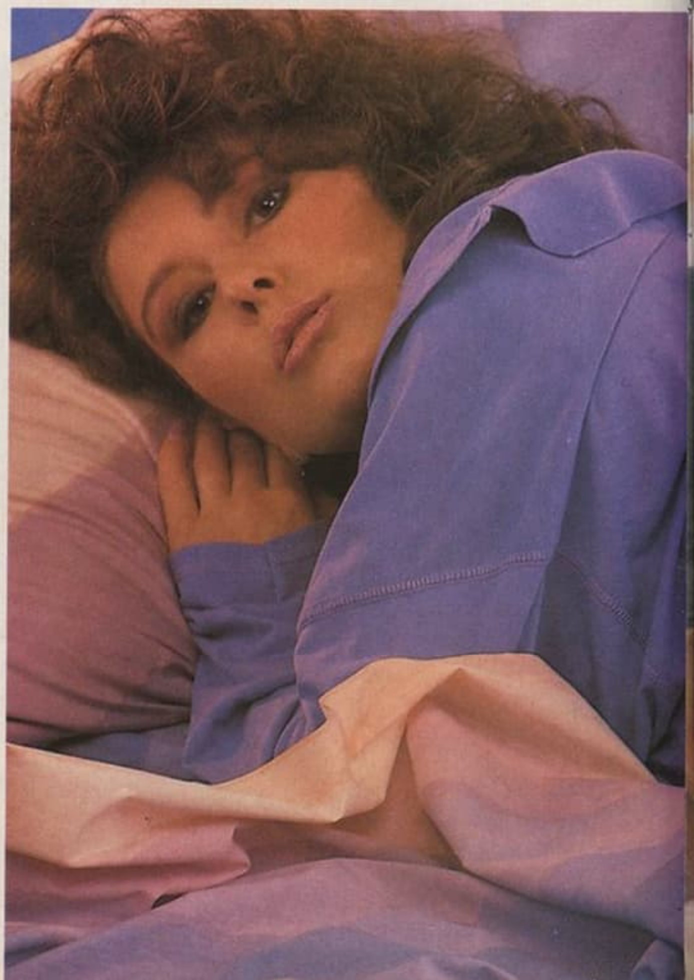
When the day comes for Nina to hang up her crotchless panties and go back to Michigan to take over her father's advertising business, she wants you all to remember her for one thing: her gorgeous pussy that can take anything you'd like to put up it.

"I left home a year ago to see a bit of the wild side of life and have a good time," explains Nina as she eyes up the photographer and his lady assistant. "I didn't want to settle down until I'd sucked off a few guys and had me a whole lot of different pricks inside my pussy. I adore the feeling of having hard things inside me. Throbbing dicks or a hard, smooth dildo that's strapped to a horny girl. My pussy



can take it all!

"I make my intentions clear from the start so I can cut out the messing around and get into bed, which is where I really want to be! That way I've ended up screwing nearly every guy and girl I've been hot for, and sometimes both at the same time. There's nothing in the world that beats having a thick dick up me from behind and a mouthful of soft pussy in front of me to lick. I love to drink a guy's spunk from inside a girl. Mixing it with pussy juice means I get to have twice as much and twice the taste. Mmm! ♣

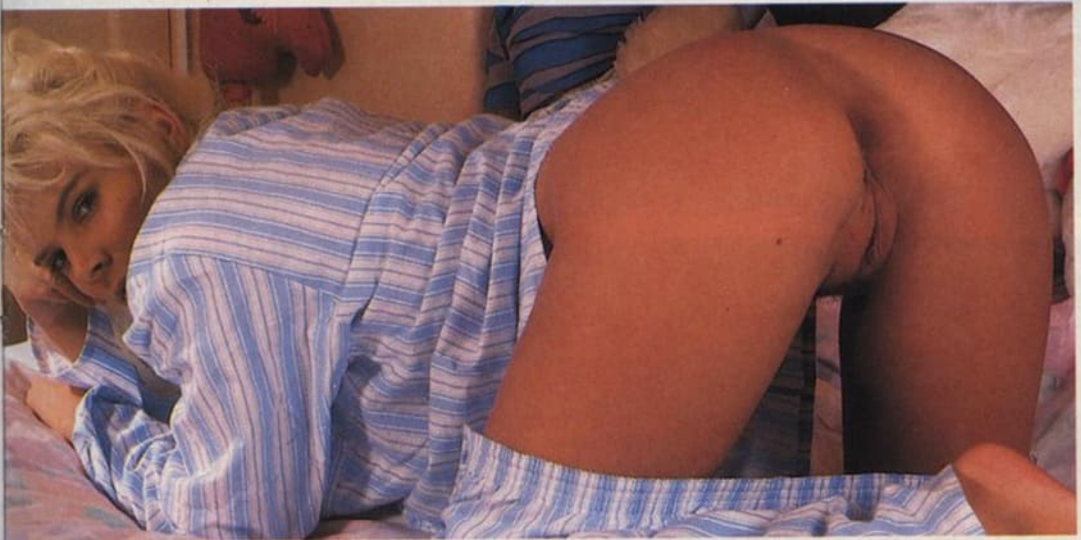
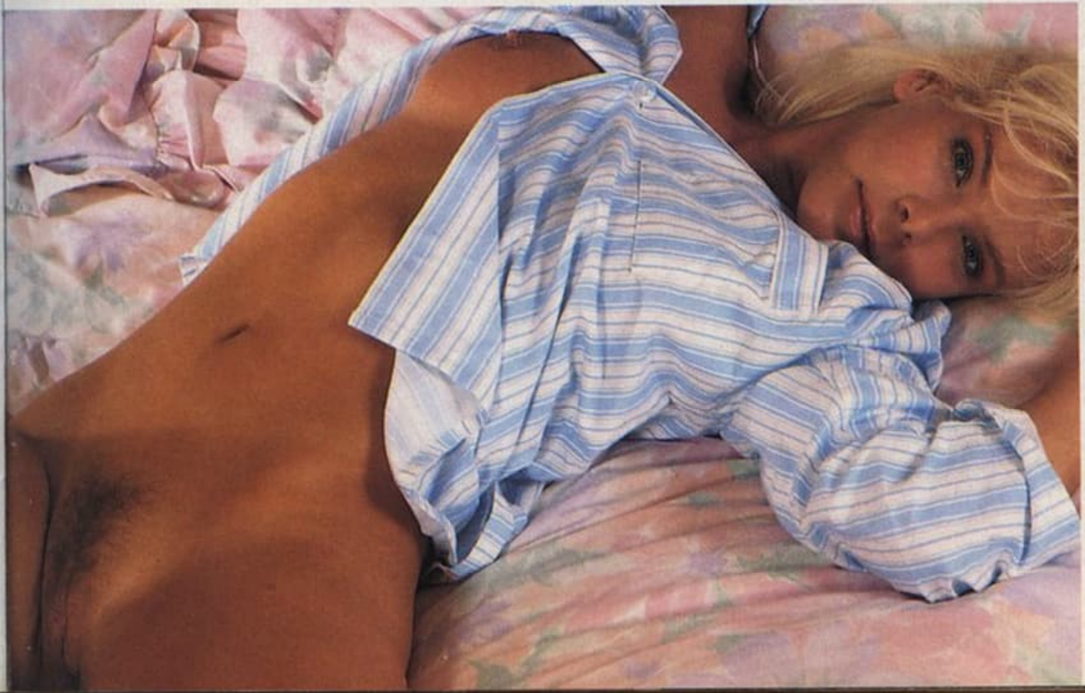
Taking dictation was good practice for my office skills. And I took a few other things down too...

When I go out on the town, I dress to thrill, and paint the town red (not to mention blue)...

A lot of you wanted me as a kinky French maid, and I really loved those fluffy panties!



When it cums to bedtime I like to be dressed for the occasion - so you guys can undress me, of course!



Then I had a letter from a guy in Utah that really gave me a great idea for a Christmas present for all my fans who've shown me such a great time while I've been here at CI. This is what he wrote:

"I've written in for several requests for you to do, Andrea, but as yet I haven't gotten lucky. I guess you must have thousands of requests, but with Christmas coming up soon I sure hope you can organize this one for me.

"What I really want to see is a compilation special, showing all of your finest moments, so that I can jerk over them, and fantasize about you all over again. My personal favorite was the nurse, back in the April issue of this year, but I know that other guys out there must have their special favorites too. Why not keep all of us happy, Andrea?"

So I thought, why not? And I've picked some of my favorite moments from my appearances in CI for you to enjoy (I hope!) all over again. Looking at my old photos certainly got me feeling more than a little horny, so I hope it will for all of you out there too. Just let me know!♣

UNDER HAND JOB

I always swore that I would never do the dirty on a friend and sleep with their boyfriend, but I've let myself down badly. The terrible thing is that I don't regret it.

When I made that rule for myself I was thinking of one friend in particular. She'd been going out with her boyfriend for years when I met her, and I lusted after him instantly, although I was careful to hide the fact. He was just my type - blond hair, big blue eyes, and the most luscious legs and butt that I'd ever seen. I could feel my panties dampening as she introduced us, and from then on I knew I had to be careful. It didn't help that he flirted with me shamelessly either, and it became harder and harder for me to keep from fantasizing what he'd be like in bed, thinking of his long, thin cock fucking my pussy for all it was worth.

I didn't want to fuck him, because I was afraid my friend would find out, but when he made a move on me I couldn't resist him. I'd gone to stay with them for the weekend because they were having a party. Pat (I've given them false names) had gone to the supermarket very early that morning to stock up on food and drink, and I'd promised that I'd do all the cleaning at home. But first I'd promised myself a long, luxurious masturbating session.

I made sure that the door of the spare room was shut as I knew that Keith was still in bed, and then I took off my nightie, feeling how hard and taut my boobs were already. I ran my hands over them, and as I started to rub my hands sensually over my body I imagined that they were Keith's hands caressing

me, making my cunt wet and juicy as my fingers got closer to it. So that I could do things properly I knelt on the bed, parting my legs slightly so that I could get both hands between them. I pushed two fingers from one hand into my cunt, making circular movements just inside my pussy walls and feeling how turned on I was as the juices ran onto my fingers. I worked my clitty with the heel of my other hand, pressing down onto it and feeling the ripples of orgasm beginning.

I was just getting into it when I heard a loud knock at the door, and without waiting for me to shout anything, Keith burst in. I was mortified! There I was, my hands on my cunt, just about to cum, and Keith had caught me. I just knelt there panting, my cunt dripping, staring at Keith. And at the bulge that had appeared under his dressing gown.

Keith put down the tray he was carrying. "I thought you might like coffee and toast," he grinned, "but I can see that you want something else instead."

Yes, a damn good seeing to, I thought, and leant over to him as he threw off his dressing gown and got onto the bed. His cock was as long and thin as I'd fantasized, and I needed it in my pussy.

I pushed him onto his back and took charge of the situation, sinking my cunt down onto his hard-on so that I could feel it pushing right to the end of my cunt against my sticky pussy walls. He started humping from underneath, lifting up his hips so that our pubes were rustling together. I reached down to play with his flat nipples and told him to fondle my boobs roughly, just the way I like it. I was in heaven.

"Faster, you bastard!" I yelled, following that with a stream of the most dirty thoughts I'd had about him.

"I've wanted to fuck you for ages too, Janice," Keith panted. "I've always wanted to cum in your cunt. And I'm about to now!" I felt him shooting his hot cum into me, and his thrusting got more and more frenzied. I was frantically moving my cunt from side to side as well, feeling Keith shooting off inside me, and he played with my little clit to bring me to a huge orgasm.

"That was fantastic, Janice," Keith told me, "but I'm not finished yet. Pat won't be back for hours yet." And with that he eased his sticky cock out of me and slid down underneath me, till his mouth had reached my cunt. I trembled as I felt his tongue slide into me, licking up the cocktail of my juices and his own cum. I'd never known a man do that before and it just turned me on even more. I turned around as he licked me out so that I could get to his cock, which was hard again by now. As I licked it I could taste my own cum. It was very erotic.

Keith warned me, after a couple of minutes of very hard sucking on my part, that he was going to cum in my mouth if I wasn't careful. "I want you to," I told him. "I want to swallow all your cum, Keith." He was delighted, as I knew he would be because Pat had once confided to me that she hated the taste of cum. When he came that time I gulped it down noisily, savoring its delicious taste. Keith could hardly believe his luck.

We showered together then, and when Pat came back an hour later I was Hoovering the lounge as if nothing had happened. Keith and I managed to slip away for a quickie in the middle of the party that night, and I'm ashamed to say that our affair has been going on ever since. - *"Bad Best Friend"*

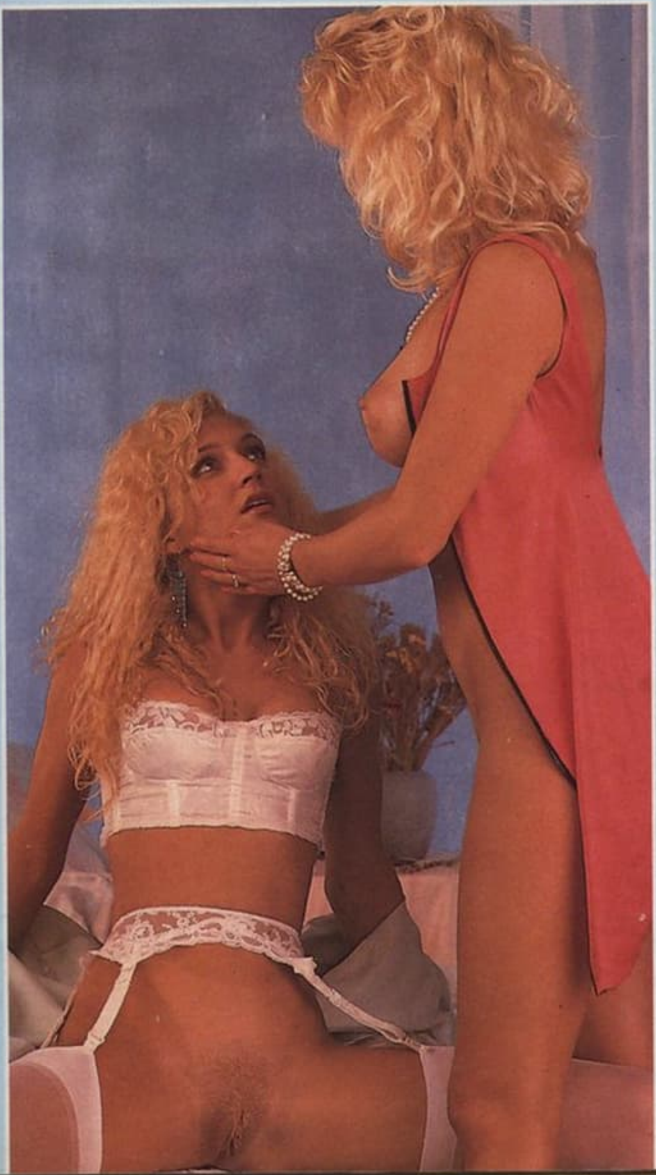
In the bedroom I stripped off my clothes, and was down to my underwear, rubbing my hands slowly all over my body, making my skin come up in goose bumps as I felt myself all over. My nipples were hard and straining through the material of my bra, so I took it off and fondled them properly, running my fingers over the soft skin on their underside and squeezing them together. That really made my pussy tingle and I wished they were big enough for me to be able to lick the nipples, but instead I had to satisfy myself with pinching and tweaking them, making them stand out hard and throbbing from my chest.

Next I started to work on my pussy. I took my panties off, seeing that the crotch was soaked with my own juices, and ran my index finger slowly along my wet slit, really savoring the sensations that were going through my body. It felt like my cunt was on fire as I gradually slipped my finger further and further into me each time I found my hole, rubbing around all the sensitive little spots. I knew I had to go further, so I held my cunt wide open with my other hand and pushed two fingers into my pussy, working them in and out of my hole. It was such a great feeling, kneeling on the bed enjoying my body like that, that I just didn't hear the knock at the door. So when Alex walked in I was totally stunned.

Alex just stood there, wearing the same red dress that she'd looked so fuckable in earlier, staring at me on the bed, still with my stockings and garter belt on, my fingers in my cunt, and the tops of my stockings streaked with my juices. It was agony for me to kneel there too, because I was on the verge of cumming.



Alex could see that too. "Don't let me interrupt you in your hour of need!" she grinned, walking right up to the bed, and sitting down next to me. I didn't need to be told twice and put my fingers back into my pussy. The room was totally quiet except for my little panting breaths and the squelching of my juices as I worked my fingers in and out. I could feel my orgasm building up, starting at the hot center of my cunt and welling out all through me. As I came I panted faster and faster and ended on a real shriek before sinking back onto the bed with my fingers still in my pussy.

All this time Alex had just sat there watching me, and the only way that I could tell that she was turned on by the sight was that her boobs, tightly confined by her rubber dress, were heaving up and down and the nipples were sticking right through it. Without speaking she stood up and posed with her legs apart in front of me. "Undo my zipper," she said.

I sat there for a moment before reaching forward and slowly pulling the zipper down, revealing those gorgeous tits and what seemed like acres of smooth brown skin. She smelt lovely, as if she'd just had a bath, and I pressed my lips to her stomach and traced small circles with my tongue across it. I could feel her tense up with pleasure as I licked lower and lower.

She'd shaved her pubes quite closely and I nuzzled my lips against them, at the same time bringing my hands up to rub at her pussy. I could feel how wet she was as she leaned right up close to me and started to rotate her hips to press her mound against my hand.

"Kiss my pussy," she whispered as I paused with my mouth just above the start of her slit. I bent down and started to lick at her pussy, smelling her love juices that were starting to dribble out of her cunt. That sent me a bit wild and I started to lick faster and probe deeper into her. Alex was gripping the back of my head as I tongue-fucked her, talking to me all the time.

"I wanted to feel you tonguing me all day," she said, squirming against the attentions of my tongue. "I kept imagining what it would feel like, having you kissing me all over and making me cum. But this is even better than I'd imagined."

"I'm going to make you cum now," I told her. "I'll give you an orgasm you'll never forget. I've been planning it all day."

With that I plunged my tongue right into her, feeling a rush of juices open my mouth as I delved as far as I possibly could into that hot cunt. Alex opened her legs wider than ever and covered my whole mouth with her pussy. It was the most fantastic feeling, almost as if I was right inside her. I could feel her orgasm cumming, when her cunt started trembling and contracting around my mouth, and then she flooded juices everywhere, shouting out loud as her climax hit her.

I needed to give my tongue a rest by then, but Alex wasn't finished. "Get on the bed," she said. "I want to taste that lovely pussy of yours." She put some pillows under my ass, running her hands all over my body as she did so, making me tingle all over with pleasure. I couldn't think of anything else but the idea that Alex was going to lick me out and that I'd been wanting it all day.

When her tongue hit my clit I moaned out loud, the feeling was so good. Alex had gotten right down there, and as she tongued me I could feel her nose nuzzling against my pubes. I leaned right back on the bed, arching my back and bringing

my hands up to fondle my tits. My nipples had never been so hard and I thrashed my head from side to side on the huge bed as Alex pushed her tongue deeper and deeper into my cunt.

I knew I was close to cumming again so I urged Alex on. "Put your fingers in too," I gasped. "Really fill me up properly." Alex put her index fingers into my cunt, keeping her tongue flicking on my clit as she worked them around. And when she found my G-spot I went off like a rocket, screaming for her to finger me harder and faster to keep those orgasms cumming.

I was wrecked by the time Alex finished with me, and couldn't move. I just lay back on the pillows, gasping for breath and waiting for the trembling and heat in my cunt to die down. Alex lay on the bed beside me, just stroking the length of my body, and just the feel of her touching me was enough to set me off again. But I was all hot and sticky after that, and I knew what I wanted most of all - a shower.

"Why don't we have one together?" Alex suggested when I told her what I wanted to do. "I know some great moves with soap!" So we walked into the en suite bathroom hand in hand, and I stripped off my underwear while Alex turned the shower on to a comfortably warm spray. When we stepped under it she immediately grabbed the soap and started rubbing it all over my wet body. It was much better than washing myself, I can tell you! Of course, her hands - and the soap - kept slipping between my legs, soaping up my cunt and just getting me turned on all over again. Eventually she ended up bringing me off with the soap, kneeling down under the shower spray as I stood above her and came again.

It was my turn to frig her off then, and I had to use all my imagination to equal what she'd done for me. Finally I grabbed the shower spray and ran the cold metal part of it all over her - and then we got really naughty and I ended up using it as a dildo on her! Alex was really writhing about on it as I filled up her pussy, and she came very strongly and noisily.

We dried each other off and went back into the bedroom then - but not to sleep. This time we ended up on the bed in the 69 position, with me working my

fingers in and out of her sticky cunt and Alex running her tongue all over my love hole and really making me shiver as she gave me head. We both came very intensely that time, and I looked up from licking her cunt to see the expression on her face as she came. It was great to see that she was definitely enjoying the sex as much as I was!

Since that day Alex has become my regular lover, and our sex life has even been improved by having a threesome with a girlfriend of Alex's. (I've been trying to persuade the Editor to do some photographs with all three of us - I know it would be very horny, because Alex's friend has the best ass you've ever seen. I just love to lick it!) But I'll have to tell you about that another time, because writing all this down for you has got me so excited that I'll have to go off and play with myself. Because you all know what a dirty girl I am! - *Cherry*

couples confess

Share and share alike! That's the idea of good group sex. And here in *Couples Confess* is where you share your dirtiest real life experiences with us.

I've never been the sort of person who's prudish, but until a couple of weeks ago I'd never taken part in what you'd call an orgy. Then some new neighbors moved in next door, and suddenly I was flung into the kind of swingers' scene that you usually only read about in the low grade newspapers. I don't want them to know I've written in to CI though, so I've changed their names here.

I first met my new neighbor Megan as she was hanging the washing out one morning. We greeted each other over the fence, and over the next couple of days she popped in for coffee a few times, and eventually I was invited around for dinner. That was when I met her husband Andy, and when I first suspected that they might be involved in wife swapping.

Andy was tall and dark, with a beard and the kind of muscles that I usually find a turn-off, but I didn't with him. He was extremely flirtatious too, telling me how attractive I was as we sat at the dinner table. "I've always liked women with big boobs, Susie," he told me. I thought it might be the drink talking as he ran his eyes suggestively over my body, but when I looked at Megan she was smiling and watching in approval as he eyed me up. I couldn't work it out. And when I left Megan said, "I can tell that Andy really likes you. That's good. Listen, we're having a party on Saturday, and I'd love it if you came along to it. We both would." The suggestive smile she gave me as she saw me out should have told me what kind of party it would be!

I was intrigued. I had no idea what to expect, but I was dying to find out. It took me ages to decide what to wear, but eventually I put on my most daring dress, which I'd only ever had the nerve to wear once before. It was white, and clung to every curve of my body, making my boobs look even bigger than they were, and showing off my firm, shapely butt. The thought of what was coming that night made me feel excited, and horny; my nipples darkened and strained under the thin white material and I rubbed the palm of my hand lightly over them. I felt my cunt getting moist, and thought, to hell with it! I took off my panties, watching my nipples grow even bigger in the mirror as I looked at myself, with my hot pussy clearly visible through the thin white material. It was tempting to have a little session with my fingers then and there, but I was curious to see what the party would be like.

When I arrived there were about seven or eight other couples there, none of whom I'd met before, but once I'd got stuck into a few glasses of wine I was really feeling in a party

mood. I started eyeing up some of the guys there; they all seemed to be with partners but no one was sticking with them. There was a couple I really had the hots for, and I could feel my nipples growing again! They'd obviously been noticed by other people too, because soon I was surrounded by a crowd of admiring guys, all making it really obvious how much they wanted me. I was in my element.

The conversation was getting progressively dirtier too. Andy was one of the men who was trying to pick me up, asking me what I liked the most in bed. "I bet you're really horny underneath all that virginal white," he grinned at me.

"You bet I am!" I replied, my tongue loosened by the effects of the alcohol. "I haven't had a good fucking for months."

Just then Megan walked up to us. "We'll have to see what we can do about that then," she said. With that she leaned across to me and gently pushed her pussy mound against mine. The sensation of it against my bare flesh, only just covered by my thin dress, was incredible. She started kissing me then, softly at first but then harder as I got more into it. Our tongues licked around each other's mouths and I felt her moving her hand up to one of my boobs, rubbing my straining nipple lightly.

Just then Andy butted in. "Don't be selfish, Megan," he said. "You know I've been dying to get to grips with Susie since last week." We decided to go upstairs, and it was very flattering to see the looks of envy on the others' faces as Megan and Andy each took one of my hands and led me upstairs to their bedroom. But I had no doubt that they wouldn't be sitting around doing nothing while we were up there.

In the bedroom Andy quickly stripped, his cock springing out from his underpants as he pulled them off. It wasn't all that big, but it looked thick, a good handful, and I immediately bent down to take it in my mouth. Pursing my lips, I pushed down onto it hard, jerking the foreskin back so that I could feel the hot cock right against my teeth. I could feel it getting bigger and harder as I started to suck on it, settling down on my knees and gripping his ass cheeks so that I could cram all of that cock in. Andy was holding my head and moaning with my hard sucking action.

As I knelt there I felt my cunt lips being pulled apart. Megan was kneeling on the floor behind me, running her fingers around the outer lips of my pussy, and then inserted two into me, making me squirm as she ran them over all my sensitive spots.

"Put your tongue in!" I yelled, taking Andy's cock out of my mouth and giving it a good old tug with both hands. I wasn't sure if he wanted me to do it that hard, but he obviously did as he started moving his hips to and fro, as if he were fucking my hands. Suddenly he came without warning: the eye of his prick just sent a couple of blobs of cum spurting all over my hands as he groaned and grunted to orgasm.

I wanted to taste it so I rubbed it into my boobs, feeling the wet cum on my hot nipples. Megan was still occupied with my cunt, licking it now, circling my clit with her tongue as she was still thrusting her fingers in and out. I knew I was going to cum soon, but I also knew what I needed to finish me off.

"Suck my tits, Megan," I gasped. "Come and lick all Andy's cum off me." Megan moved around to the front of me, taking one of my nipples between her teeth and gently nibbling it, while running her tongue around my soft tit flesh, tasting her husband's jism on it. Andy, meanwhile, had moved down to my pussy and taken up where Megan had left off, licking and probing at my love hole. With that I began to shudder and I felt myself cumming. I really let go, screaming and shouting:

"Fucking hell, that's fantastic! Tongue me faster, Andy. Christ, I'm cumming now!" Andy's tongue was going at 90 miles an hour on my twat, and I was dripping juices like mad. Megan was still sucking my tits, and the feeling of being satisfied by a man and a woman together was fantastic.

I needed a little time to recover after that, but I realized that Megan still hadn't cum yet. I turned to Andy.

"Come on, Andy, your wife needs a good fucking." I couldn't believe I'd let myself go like this. Megan was lying on the floor, looking at me and

PIPPA
AND DON

Photographs by Rick Michaels

"We're gonna do a porn set in a dildo factory ?!" bodacious blonde Pippa squealed excitedly. "Unreal! I've gotta get some of those plastic cocks in me!"

But it was Don's tool that Pippa went crazy for when he got onto the set for us - the poor guy didn't know what hit him. "She went right for my crotch," he told us, "and knelt down when she'd got my cock in her hand and started sucking me off right away. It wasn't long before I was unloading my wads into her mouth and she was gulping them down. She sure loves the taste of cum."

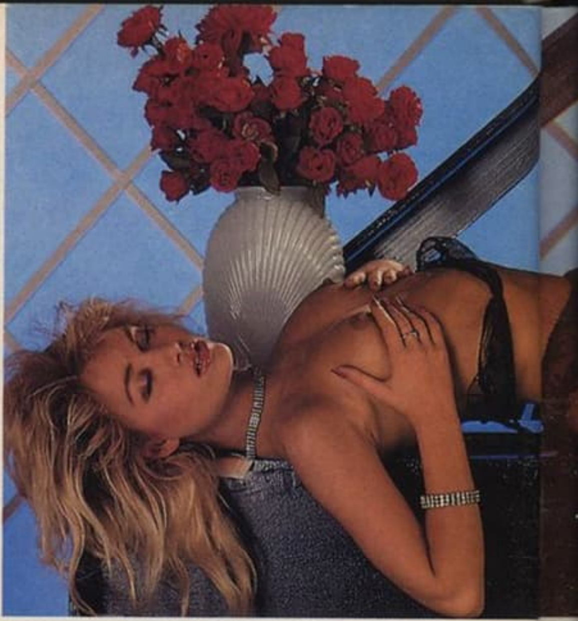
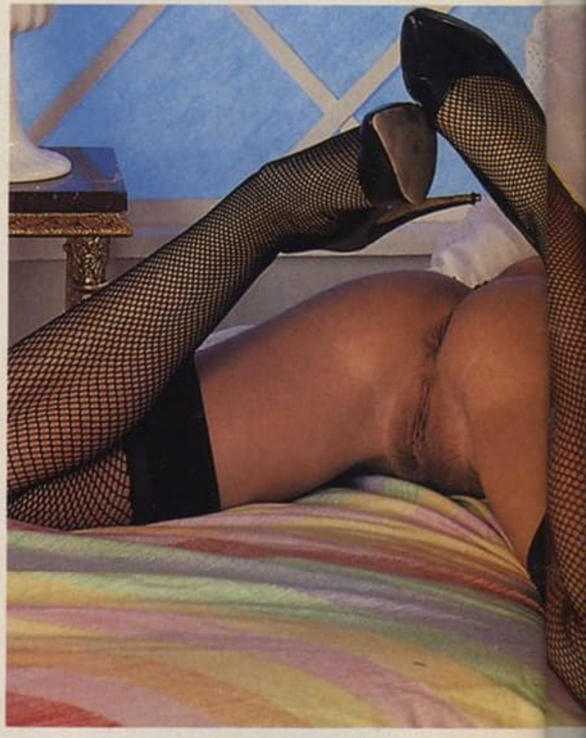
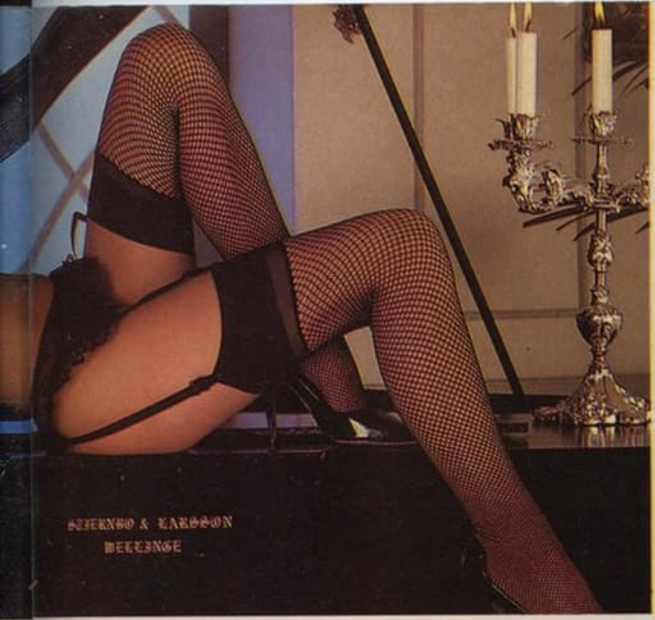
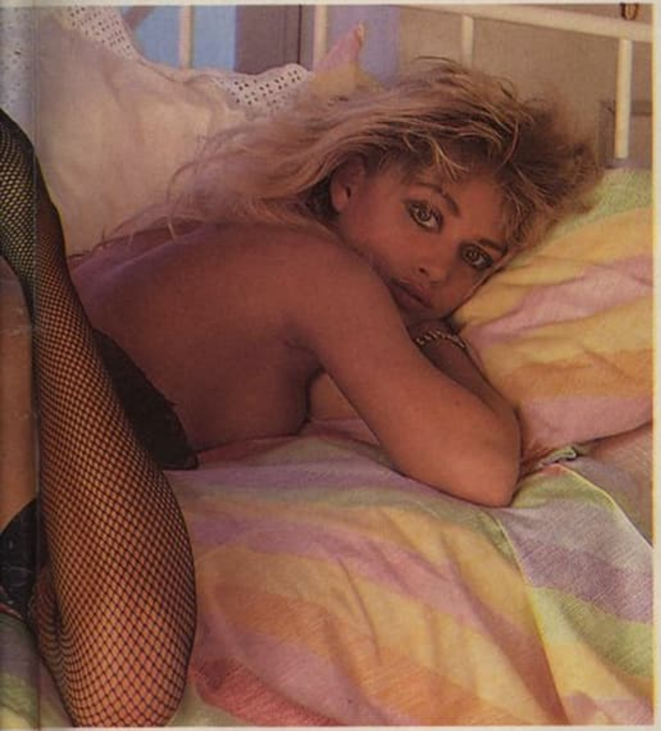
STEPHANIE

Photographs by Marion O'Hare









You may remember that the last time we saw Stephanie, she was brandishing her razor and getting rid of her little bush right in front of our eyes. But this time she's allowed it to grow back - why?

"Well, I know that all the guys - and girls - out there love to see a shaven pussy," the rude blonde told us. "But what happened was that I got real bad stubble from shaving myself, and I had to keep doing it every couple of days. It ended up

that my boyfriend was the one who was getting stubble rash, not me - he was spending so much time eating me out, you see.

"So I decided that I'd have to get him to do the shaving instead from now on. Unfortunately he's away on business right now, so I have to wait till he gets back. In the meantime, I've got kind of fond of my little bristly bush. I get real excited running my fingers over it, because it makes my cunt seem extra sensitive. So I've always got my fingers in my cunt at the moment, jerking myself off. If I rub at the short hairs around my clitty I get the most amazing orgasms, you know. In fact, I'm quite tempted to keep my stubble. What do you think, guys?" ♣

A NEW DECADE OF DICK

couples confess

continued from page 75

fingering herself. But Andy had other ideas.

"I know some people who wouldn't miss this for anything," he grinned, and went out of the room. We could hear him going downstairs so we just sat there looking at each other. Megan carried on fingering herself, watching my reaction all the time as she worked her finger up and down her horny slit. I could see her love juices dribbling out of her cunt as she came in a series of mini-orgasms, shuddering and panting.

I wanted to touch her but I didn't get the chance as just then the door opened and Andy came back in, accompanied by two of his friends. "This is Bob and Trevor," he told me. "I don't know if I could get enough cum up now to satisfy Megan, she's so horny. But these guys are more than willing!" With that they both took off their trousers, and to my surprise they were both wearing G-strings, which molded tightly to their packets, and showed that they were both pretty meaty.

"I hope some of that's cumming my way," I said as they both started jerking their cocks slowly as they looked at me and Megan, horny and ready for action.

"That's the idea, Susie," Andy said. "They're both ready for a good fucking." I bent over, my ass towards them, parting my legs as wide as I could so that they could both see my cunt hole. Megan got off the bed and did the same, showing the guys her hairy slit. Andy groaned at the sight of the two of us horny girls just asking for a good screwing.

"Get in there, guys," he told his friends, and they didn't need to be told twice. As I knelt there I felt a thick, stiff cock pushing its way into my hot pussy. It seemed to go right to the end of my cunt, and I gasped as it withdrew almost all the way out before plunging back in again. Looking over my shoulder I could see that it was Trevor who was fucking me, a look of intense concentration on his face.

To my left Megan was getting a good screwing from Bob. His cock was one of the fattest I'd ever seen, and Megan was really yelling with pleasure as she felt the full force of it. And in front of us Andy was furiously jerking himself, tugging his foreskin up and down as his balls tightened. I lost count of how long Trevor fucked me for, because I was lost in the feeling of that hot dick in my cunt, but all too soon I felt Trevor twitching and he yelled that he was about to shoot his load.

"Cum in my cunt!" I screamed, and a minute later I felt him spraying his cum inside me. That set Bob off, and I could tell that Megan was really enjoying having another man's cum in her pussy. Since that night, I've been to quite a few of my new neighbors' parties, and I seem to be pretty popular amongst their male friends. I haven't had this much fun - or this much sex - for years, and I'm loving every minute! -*"Naughty Neighbor"* ♣

BRAD AND TINA

Photographs by POM

"The first thing I do to a guy when I get him into the bedroom," confesses dirty blonde Tina, licking her lips in anticipation, "is sit on his face. There's nothing quite like the feeling of having a guy's tongue dipping into your cunt, licking out all those horny love juices. I just go wild when a guy starts giving me head - it sends my pussy into overdrive!

"Brad has such a sensitive tongue too, and he found all my best spots, like the place just inside my cunt lips where I love to be licked and sucked 'cos it really sends vibrations right through my pussy. Real soon I was squirming all over his face, and I wriggled all over his lips so that he could get right in there. He really enjoyed the fact that I was so into the head he was giving me. I tell you, he's the best cuntsucker I've ever cum across!

"And as you can see, I figured I
